

Developmental Disabilities Administration

Regional Town Hall Meetings on Rate Setting

What is the Rate Setting?

DDA is conducting an independent rate setting study to set provider rates for community based services. The study will include a rate analysis and an impact study that looks at the actual cost of providing community based services.

For more information, please visit our website at dda.dhmh.maryland.gov and click on the Transformation folder.

Why are the Town Hall Meetings being held?

The Town Hall Meetings are being held to give individuals receiving services and all of our Stakeholders the opportunity to hear more about the rate settings study and ask questions,

Where?

The Town Hall Meetings will be held across the state in all four regions. You can choose which time and location works best for you. All sessions will be from 7-8:30pm. All are welcome to attend – individuals with disabilities, family members, provider agency staff, and all other stakeholders.
